
Gene & Jude\'s

Stopped by there on Sunday after the Chicago Motorcycle Show and Parts Expo at McCormick Place. B)

They are open again after the flood. The dogs were great as always and the fries just can't be beat!

Looking forward to the IMS at Rosemont this weekend so I have another excuse to eat there.

FYI - The prices are up. \$2 for a dog and fries. The best value in the world! :woohoo:

It's HERE. Our first Hot Dog night this year and it'll be nearly 70 degrees. Wow, how cool. Oh, how I wish I could ride there, but my seat is being rebuilt and am at the mercy of Rick Mayer, LLC. I hope it's worth the wait.
