Why is it that the
.PDF schedule says 7 PM
The website says 6 PM
And at Russells last night I was told they are all at 6:30
Who knows what the newsletter says????

This should not be that complicated, pick a time, and make them all match!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!:S

It is seven o'clock PM. You can arrive at the time that fits your schedule, but the official time is 7:00 PM....19:00 hours.
