Found this discount offer on ADV Rider forum for a 15% discount on the straps. I will never use a regular bungee cord again. I bought a set of the Cruiser Straps adjustable to 54", at the Gillette rally for \$18.00 cash n' carry and another set at Inianapolis BMW 3 weeks ago for \$24.00. They are available for \$17.00 plus postage. If you need them before the rally and are not sure if they have a rally special in Johnson City, you might consider this offer.

Carey,

Thanks for the lead! I missed it on advrider?!

I've been using them for the past 5/6 years and I wouldn't use anything else. I always suggest them to my LRN2RYD students.

Larry
