Ice Cream night has been great. This is our first year to have repeat ice cream nights so please come and help it grow. July is at an outstanding ice cream parlor (opened in 1931) called Capannari's. There's plenty of parking space and the lines move fast. August returns south to another Original - The Rainbow Cone on S. Western in Chicago. See you there! http://www.crbmw.com/images/fbfiles/images/Picture_4.png
