
Fun Summer Riding Activity

These kind of activities are a lot of fun. You do as much or as little as you want as often as you feel like. I did a similar ride for Team Strange a number of years ago and I had a lot of fun with it. Take a look at the paragraph below from the organizers and read the rules and guidelines by going to the website. This was posted on the LD Rider Daily Digest today. Good luck! I hope a number of us decide to do this, Larry

The Glacial Lakes Motorcycle Club, GLMC, is hosting another Grand Tour this year. This time the theme is "Titanic" The object is to ride to and take a picture of town signs ending with Burg, Berg, Burgh, or Ton. The Tour starts in April and ends in September. It's a great way to go to some places you may not normally have ridden to, and a chance to win some cool prizes. For more information go here.
