
Ovid Ice Cream Ride

June 5 and 6! It's here already. If you haven't contacted me to let me know you're in, please do so now. I'll provide particulars on our meeting place and time then.

For those unfamiliar, we ride the Dunes Highway, Red Arrow Highway and Blue Star Highway along the shores of Lake Michigan until we turn east to cross the farm lands of Michigan until we arrive at the Blue Moon - a terrific ice cream shop in a small town in Michigan. We'll camp at my son's place near there and then return home the next day. (Contact me for alternate arrangements for non-campers.)

many thanks,
hank
